### APPLICATION FOR APPRENTICE LICENSURE

An individual who enrolls in a Kansas cosmetology, nail technology or esthetics school must attain an apprentice license. Kansas law K.S.A 65-1912, mandates the individual submit the apprentice licensure application and non-refundable fee "not more than 15 days after" the individual's enrollment in the school. Failure to do so may result in legal action and hours may not be credited towards your training.

The Kansas Board of Cosmetology will forward your apprentice license and a Kansas law booklet to the school. At this point the school will post your license and forward to you the booklet which includes the laws and regulations that govern KBOC licensees and establishments. It is necessary that you be knowledgeable of Kansas laws and regulations. Should you misplace the Kansas law booklet, you may purchase another by contacting the Board and submitting a \$5 fee.

A licensed apprentice may only provide consumer services in the school in which they are enrolled. It is a violation of law for an apprentice to provide consumer services in any other location. To do so subjects the apprentice to legal action which will include a monetary fine and conditions placed on future licensure. Any establishment that allows an apprentice or an unlicensed individual to provide consumer services is also subject to legal action as outlined in K.S.A 65-1908.
